The Honorable Edward P. Boland, Chairman Permanent Select Committee on Intelligence House of Representatives Washington, D.C. 20515

Dear Mr. Chairman:

You requested, via letter dated 2 February 1984, information regarding implementation of the Central Intelligence Agency (CIA) Spouses' Retirement Equity Act. We responded to your request via return letter dated 17 February 1984. We also advised you that it would take us some number of weeks to complete the one remaining unsatisfied task, that of performing a declassification review of the personal history "vignettes" of several ex-spouses of CIA employees or annuitants.

We have now completed the declassification review of the personal history "vignettes." One copy of each of the declassified "vignettes" is attached.
